

## EDL Art Consultants – Announcement

Elizabeth Dupree Lynch founder of EDL & Associates is delighted to announce an exciting new joint business arrangement, EDL Art Consultants, with Sonya Stewart President of IMC Framed Artwork & Mirrors. EDL and IMC will now be able to capitalize on their combined 47 years in the hospitality art consulting and framing business to provide better service and value to their clients. Design and Procurement clients have come to rely on the expertise and dependability of both firms and this combined effort will only make that stronger in the industry worldwide.

Elizabeth will remain on as President overseeing Client Relations and Marketing. She will continue to utilize her 28 plus years of experience to insure clients continue to receive the best art consulting services that they come to expect from EDL.

Vanessa Deriso has moved into the role of Managing Partner as well as her current role of Senior Art Consultant. Her experience with EDL and interior design background enables her to connect with clients to provide them with excellent service that meets their needs. Vanessa has an eye for art and design, as well a commitment to excellence that will help EDL continue the legacy of a highly acclaimed International Art Consulting firm.

EDL Art Consultants has garnered worldwide acclaim for its international portfolio, which includes five-star luxury hotels and resorts, corporate headquarters and facilities, centers for healthcare and education, dining and entertainment destinations and a Who's Who of private art and yacht art collections around the world.

EDL has a vast array of artists, sculptors, and framers to offer each client the perfect artwork collection for their specific project. The combination of EDL and IMC only helps to enhance both the value and selection for framed art and mirrors from one source.

EDL's continued emphasis is to provide clients an art portfolio and the services to complete their projects beautifully and make an unforgettable statement.
